

HEALTHCARE UPDATE

Background

The Elgin EDC has been working diligently with Ascension Seton to bring expanded services to the community and actively engaging other healthcare providers who have purchased property in Elgin.

Ascension Seton Expanding Services

Primary Care

Board-certified Family Medicine MD
Available Monday – Friday.

Providing general healthcare services, including routine check-ups, vaccinations, and preventive care is now available.

Adding a full-time Advanced Practice Provider to support Primary Care Operations.

Consistent Lab Work

Ascension Seton Elgin Health Center – Lab advanced lab testing technology to provide high-quality results.
M-F 8AM-5PM

Flu & Vaccine Care

Opening a flu & vaccine clinic in late September or early October.

Expanded Hours

Currently hiring additional staff to service the community outside normal operating hours.

Recruiting Talent

Partnership with local colleges to find matches that are willing to move into the community to assist with continuity of service.

Future Expansion

With the expanded services being added if they can retain the current staff and future staff, they will be close to capacity.

NEWLY ADDED SPECIALISTS

Behavior Health

Background

It started as a pilot program and is expanding with regular counseling appointments now available with medical management for behavioral health patients.

Ascension Seton Elgin Health Center – Behavioral Health offers extended and weekend hours, along with virtual visits so you can connect with your doctor from home. Our comprehensive mental health services include:

- 1-1 counseling with a psychiatrist, psychologist or licensed counselor
- Group behavioral therapy
- Inpatient mental health hospital care
- Marriage and family counseling
- Pediatric mental health services
- Substance use and addiction treatment programs

Ascension Seton provides inpatient care for mental health conditions and also provides a partial-day program with outpatient services for adults and adolescents.

Cardiology

Visiting Cardiologist is on site every other week . They will be expanding to every week and possibly full-time soon.

Ascension Seton Elgin Health Center – Cardiology are specially trained in the latest heart and vascular testing, treatment and processes to prevent, diagnose and treat heart disease.

Pediatrics

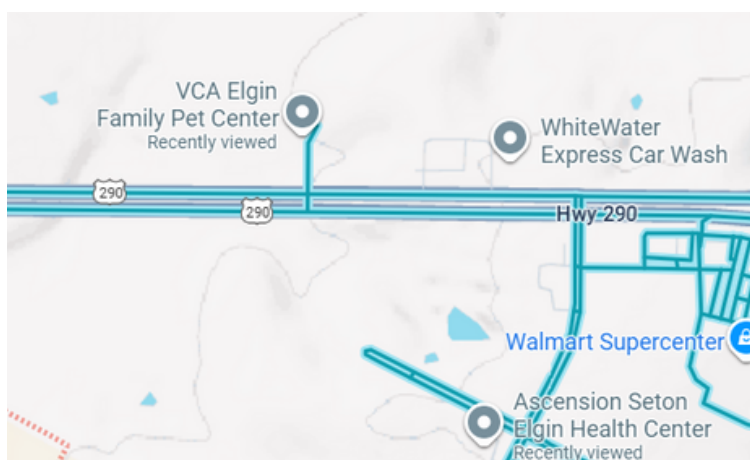

Currently interviewing a full-time Pediatrician for the Elgin office to service the growing number of new families in the community

OBGYN

Currently visiting every other week. They are looking to hire someone full-time. A shortage in the occupation so it could require additional time.

Continued Recruitment

- We're actively recruiting regional healthcare providers (primary care, urgent care, free standing emergency, specialty clinics) to expand local access.
- Maintaining regular contact with health systems and independent groups; sharing Elgin's growth data, site options, and demand .
- Creative solutions - Packaging win-win deals with developers: exploring shell-space for medical build-outs.
- Working with Ascension Seton to market the available land surrounding the property.
- Establishing relationships with real estate brokers that work in the healthcare industry.
